

**Link**® Suspension  
Controls

**1500 SERIES**

ALL MAKES - HEIGHT CONTROL VALVE

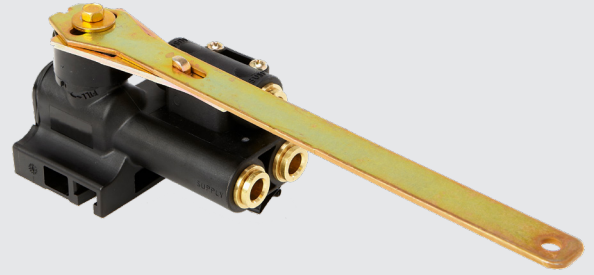

- + UNIVERSAL FIT AND MOUNTING
- + ADJUSTABLE LEVER TO FINE TUNE RIDE HEIGHT
- + COMPACT LIGHTWEIGHT DESIGN

**DRIVEN TO OUTPERFORM**®

# LINK<sup>®</sup> 1500 Series

## Height Control Valve

UNIVERSAL FIT AND MOUNTING

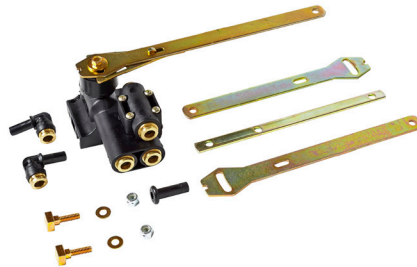

## Offers Plumbing & Mounting Flexibility

Link's 1500 series is designed specifically to meet the needs of the tractor, trailer and transit industries. The 1500 series mechanical height control valve offers flexibility in mounting, plumbing and lever attachments. The valve is compact and lightweight with a modular design. With zero pressure, pressure actuation and non-dump configurations, drivers and fleets can ensure that they have the ideal suspension control system for their applications.

Each system is equipped with standard PTC fittings and a supply port check valve. The alignment notch can be rotated 180° to get the proper fill-exhaust directions for lever travel. With universal mounting and multiple available lever orientations, the 1500 series is the most versatile height control valve for the transport industry.

- Compact Lightweight Design
- Adjustable lever to fine tune ride height
- Multiple mounting configurations
- Multiple lever orientations
- Metric fittings available

### H01500UN **NON-DUMP VALVE** ALL MAKES TRUCK & TRAILER APPLICATIONS

- 3/8" PTC fittings in supply & suspension

#### KIT INCLUDES

- 4 different size lever options
- Mounting bolts
- (1) 3/8" 90 degree stem fittings
- Instruction sheet

### H01501UD **PRESSURE DUMP VALVE** ALL MAKES TRUCK & TRAILER APPLICATIONS

- 3/8" PTC fittings in supply & suspension
- 1/4" Pilot Port
- Excludes Peterbilt & Kenworth

#### KIT INCLUDES

- 4 different size lever options
- (1) 1/4" 90 degree stem fittings
- (1) 3/8" 90 degree stem fittings
- (1) 3/8" plug
- Mounting bolts
- Air line to convert the H01501UD to a non-dump valve
- Instruction sheet

### H01501PUD **PRESSURE DUMP VALVE** PETERBILT & KENWORTH

- 1/4" PTC fittings in pilot & suspension ports
- 1/4" Elbow fitting to 3/8" PTC in the supply port

#### KIT INCLUDES

- 4 different size lever options
- (1) 1/4" 90 degree stem fittings
- Mounting bolts
- Instruction sheet

### H01502UNC **ZERO PRESSURE DUMP VALVE** ALL MAKES TRUCK & TRAILER APPLICATIONS

- 3/8" PTC fittings in supply, suspension and pilot port

#### KIT INCLUDES

- 4 different size lever options
- (1) 1/4" 90 degree stem fittings
- (1) 3/8" plug
- Mounting bolts
- Instruction sheet
